

Welcome to Clearwater Paper

Information for Visitors, Vendors and Contractors

We place a high priority on safety, both for employees and visitors. Please follow plant rules while visiting the Lewiston site. Some of the rules are listed below for easy reference.

- Vehicle passes are required for all vehicles. Please display this pass at all times while on plant property.
- The maximum speed limit on plant is 20 MPH. Lower speeds are posted at various locations. Please obey all traffic control signs.
- Please park in designated parking areas. Please ask if you are unsure of where to park. Parking in an unauthorized location is not permitted. You will be asked to move your vehicle on the first offense and any following violation may result in potential revocation of parking privileges or in repeat/serious cases there is the potential for towing at the owners expense.
- Hand-held cell phone use while driving is prohibited in Clearwater Paper company vehicles. Texting and messaging while driving is prohibited in all vehicles.
- Alcohol, firearms and ammunition, and explosives (fireworks, gunpowder, etc) are prohibited on plant.
- Pets and minors should not accompany you onto plant.
- Smoking is allowed in designated areas only. No smoking in vehicles.
- All persons may experience random vehicle checks by security when exiting plant or while on the plant premises.
- Personal protective equipment (PPE) is required in most areas of the plant. Please check with your plant contact for PPE requirements.

Emergency services are available on site. From a company telephone, dial **11-1911** for fire, ambulance, or security. Other emergency numbers are as listed.

Security **208-799-1270**

Fire **208-799-1450**

First Aid **208-799-1500**
